D – Impact - Reach

Instructions

Do not count individuals reached through TV, radio, cable broadcast, the Internet, or other media. Include actual audience numbers based on paid/free admissions or seats filled. Avoid inflated numbers, and do not double-count repeat attendees.

- 1. Total number of individuals who will be engaged?* (auto populate this field should be calculated the same way as last year: add numbers from questions 4, 5, 6, and 7). Do not add the number of Florida artists to the total, because that figure is already accounted for as a portion of the total number of artists.)
- 2. What is the estimated number of events related to this proposal?*

 How many different events will be produced or presented within the grant period as a part of this proposal? Be sure to list different events, not performances. For example: 1) a musical performed 10 times is only one event; 2) a workshop performed one time is one event.
- 3. What is the estimated number of opportunities for public participation for the events?*

 Each event will have one or more opportunities for public participation. For example a musical performed 10 times is one event with 10 opportunities for public participation.
 - 4. UCCD SALARY ASSITANCE ONLY How many positions are being supported through the salary assistance grant?
- 4. How many Adults will participate in the proposed events?*

Enter the number of individuals over 18 who will be directly engaged with the arts, whether through attendance at cultural events or participation in cultural learning or other types of activities in which people will be directly involved with artists or the arts. This figure should reflect a portion of the total individuals benefiting.

5. How many K-12 students will participate in the proposed events through their school?* Enter the number of individuals under the age of 18 that are expected to be directly engaged with the cultural activities through their school, whether through attendance at cultural events or participation in cultural learning or other types of activities in which people will be directly involved with artists or the arts and cultural events through their school. This figure should reflect a portion of the total individuals benefiting.

GPS and SCP Program Application (CA2E145), eff. 6/2023 Chapter 1T-1.036, Florida Administrative Code

6. How many individuals under the age of 18 will participate in the proposed events outside of their school?*

Enter the number of individuals under the age of 18 and over that are expected to be directly engaged with the cultural activities not through their school, whether through attendance at cultural events or participation in cultural learning or other types of activities in which people will be directly involved with artists or the arts not through their school. This figure should reflect a portion of the total individuals benefiting.

7. How many artists will be directly involved?*

Enter the estimated number of professional artists that will be directly involved in providing artistic services specifically identified with the proposal. Include living artists whose work is represented in an exhibition regardless of whether the work was provided by the artist or by an institution. This figure should reflect a portion of the total individuals benefiting. If no artists were directly involved in providing artistic services enter 0.

Number of artists directly involved? This figure should reflect a portion of the total individuals benefiting. It includes the number of Florida artists directly involved (below)

Number of Florida artists directly involved? This figure should reflect a portion of the total artists directly involved.
